STATE OF NEVADA  
OFFICE OF THE LIEUTENANT GOVERNOR

September 2008

As Nevada's Lieutenant Governor, I am privileged to serve as Chairman of the Nevada Commission on Economic Development. A key function of the commission is its support and oversight of the Nevada Film Office. I am pleased to acknowledge the efforts of those in the entertainment industry who continue to choose Nevada as a site for production in motion pictures, television, music videos and commercials.

The award-winning Nevada Film Office provides expert service and information to all entertainment personnel and companies interested in utilizing the unique resources and varied landscapes throughout the beautiful state of Nevada.

Each year, the Nevada Film Office compiles the Nevada Production Directory, a guide to film services in the state. I think you will find that the Lear Talent Guide is a wonderful supplement to the production directory and includes specialized information which will assist you as you move into production. Thank you for considering the pool of talented Nevadans who are available to work with you.

Best regards,
